Dear NOAA FOIA Officer,

I am putting a FOIA request in, inwhich I would like to have the total number of dead marine mamals according to the particulaur classification of mamal, example the total number of dead sea turtles and dolipins, porposies along the lines of that in reguards to the Deepwater Horizion Oil Spill Incident of April 20 th 2010. I would like to have it all up to date to April 20 2012. You can get a hold of me at this email address.

warm reguards,

Ken White
