Ms. Schiffer,

Please see request below (bottom of the thread) for a FOIA request from Warren Pollock for a TJ report.

Please advise on what, if anything, should be my next steps.

Capt Devany, David, Steve,

I am sure that there is a formal way of handling FOIA requests, and that it does not involve me responding directly to this query.

Please advise soonest,

Shep

I appreciate the outstanding work you are doing in the Gulf of Mexico.. I would like to request for review your latest report on the Gulf of Mexico which was published on or about June 13, 2010. An executive summary would be sufficient.
