RE: Release Determination for DHS/OS/PRIV 10-1082

This is in response to the Freedom of Information Act (FOIA) request, submitted August 5, 2010, and referred on September 16, 2010, by the U.S. Coast Guard (USCG) to your agency for processing. In processing this FOIA request, your agency identified records, of which a total of 35 pages included information that originated in the National Oceanic and Atmospheric Administration (NOAA).

After reviewing the responsive information that pertains to NOAA and sending them through GC clearances, we have determined these records are fully releasable in their entirety. Based on this response we consider this FOIA closed and that there is no further action on our part. Feel free to contact me if you have any questions. I can be reached at (301) 713-3070 x169 or via email at nkolika.ndubisi@noaa.gov. Thank you, in advance, for your time and cooperation.

Sincerely,

Nkolika Ndubisi
