Re: Freedom of Information Act Request # 2012-00273

Dear Mr. White:

This letter is in response to your Freedom of Information Act (FOIA) request # 2012-00273 dated March 23, 2012 and received in our office March 26, 2012. You specifically requested the following:

- The total number of dead marine mammals according to the particular classification of mammal,
- Example the total number of dead sea turtles and dolphins, porpoises in regards to the Deepwater Horizon Oil Spill Incident of April 20, 2010 up to April 20, 2012.

Our initial review of your request reveals that we have responsive documents that are available at no charge on the following websites.

1) 2010-2012 Cetacean Unusual Mortality Event in Northern Gulf of Mexico
http://www.nmfs.noaa.gov/pr/health/mmume/cetacean_gulfofmexico2010.htm

2) Consolidated Fish and Wildlife Reports can be found at:
http://www.restorethegulf.gov/news/transcripts-docs

This letter completes our response to your request as we recommend that you review the above websites for responsive information and if necessary, resubmit your request focusing on records that are not available to the general public.

Sincerely,

Theo R. Brainerd
