

Disclosure Review Board Minutes  
10/17/05

1. STP\_292 (b) (6)

This was approved. The data will be rounded as all Census 2000 special tabulations. DRB rules for means and quantiles will be applied. PCT35 will remain at the tract level and above (no block groups).

2. 0364 (b) (6)

This was approved.

3. 0501 (b) (6)

This was tabled until our next meeting.

4. NSCG tables on intermediate weights for (b) (6)

This request was denied. We have previously not given out information on weights other than the base weight and final weight. We think this would be a bad precedent.
