

Disclosure Review Board Minutes

3/15/10

Attendees: Marie Pees, Arnie Reznick, Jason Lucero, Mark Asiala, Phil Gbur, Laura Zayatz, Susan Bucci, Judy Eargle, Phil Steel, Phil Gbur

1. 2008 SIPP panel wave 3 welfare reform

This was approved.

2. CPS ASEC 2002-2007 American Cancer Society (new Table 5)

This was approved.

3. ACS 2008 Veterans Health Insurance

This was approved. The data will be rounded as all ACS special tabulations

4. 0299_ (b) (6)

This was approved.

5. 0664_ (b) (6)

This was approved. The DRB would like a field trip to New Orleans.

6. 07-08 Annual Profile of Exporting Companies

Susan pointed out some problems and will check with (b) (6) to correct them. For example in Table 3A, the unclassified counts round to zero, and thus should not be used for complementary suppression.

7. CBSA exports 2009

This was approved.

8. ACS base tables

The following 2 tables may be removed from the list of tables that cannot be published for block groups:

Tables where the universe is restricted to people less than 18 years old
Tables containing characteristics of non-relatives

Several tables in the list of tables that cannot be published for block groups are those “containing characteristics” of a given sub-population. Univariate counts of those subpopulations may still be published at the block group level.
