

Disclosure Review Board Minutes  
6/4/12

Attendees: Marie Pees, Laura Zayatz, Philip Steel, Judy Eargle, Arnie Reznick, Rebecca Rubiera, Susan Bucci, Mark Asiala, Bob Sands, Greg Weyland

1. ACS 2011 1-year PUMS

This was approved.

2. ACS 2006-2010 ST319 (b) (6)

This was approved. DRB rules for medians will be applied. The data will be rounded as all ACS special tabulations.

3. Replicate weights for 2011 AHS-N PUF

This was approved.

4. 2011 AHS PUF

For data quality purposes, they should look at the distribution of age by sex before and after perturbation. Laura will let (b) (6) know. If no data quality problems exist, then this is approved.

5. American Cancer Society request

This was approved.

6. The Comb

They should look at other alternatives. They should check address range information to geocode using the 2010 Census TIGER/Line Shapefiles. They should also check the block relationship file between Census 2000 tabulation and 2010 Census tabulation. They will get back to us.

7. ACS 2006-2010 VA Health Care

This was approved. The data will be rounded as all ACS special tabulations.

8. SIPP-EHC transcripts

We will ask the Privacy and Legal Offices about this. Members were still concerned about this request. There were some exact dates, exact wages, company size, and professions. Members also feel that some important things could easily, accidentally be missed in trying to scrub this data. After the meeting, Laura and Rebecca met with staff from the Legal Office who said the transcripts may not be publicly released. They should be treated as completed forms and are protected in their entirety under Section 9.

9. IOSB tables

This was approved. The data will be rounded as all ACS special tabulations. DRB rules for medians, means, and quantiles will be applied. No minimum or maximum values will be shown. They should check to see that there are no zeros for nurse practitioners but

non-zeros for midwives in single years of age. If there are, that issue will need to be addressed.

10. Wisconsin sewer districts

This was approved. The data will be rounded as all ACS special tabulations. DRB rules for medians will be applied. There must be at least 5 unweighted households in each district for the data to be shown.

11. 2010 NSCG Old Cohort

This was approved.

12. 2010 NSCG New Cohort

This was approved.

13. 2011 Fish, Hunt, and Wildlife

This was approved. The topcoded value for NUM\_F and NUM\_H can remain at 5.

14. Preliminary replicate weights for NSCG

This was approved via email after the meeting.
