

Disclosure Review Board Minutes
6/27/05

1. MECS tables for approval

If there is a 1 or 2 in the Don't Know category, this does not need to be a primary suppression.
If there is a 1 or 2 in the In Use or Not in Use categories, this is a primary suppression.

2. LEHD transportation package

This was approved.

3. STP_279 BC/BS of RI

This was approved. There must be at least 3 households in a given geographic area for the data to be shown. The data will be rounded as all Census 2000 special tabulations.

4. ACS ST046

This was approved. The data should not be shown for any geographic areas with less than 65,000 people. The data will be rounded as all ACS special tabulations.
