

Disclosure Review Board Minutes
3/13/06

1. ACS custom tabulation from (b) (6)

This was approved. The data will be rounded as all ACS special tabulations. No unweighted counts will be released. (b) (6) will call (b) (6) to make sure the categories are correct (poverty should be 100-184, 185+).

2. Revision to NCVS (addition of question on pregnancy)

This was approved. (b) (6) will send a memo to POP's Acting Division Chief noting the addition of a sensitive variable.

3. Tract level return rates for Maricopa survey

These may be published for tracts with at least 3 returned cases.
