

Disclosure Review Board Minutes
12/13/10

1. ATUS Well Being 2010

Laura will ask about the response to the checklist for question 1.1.3. If that is acceptable, this is approved.

2. EEO and Disability tables

For EEO, all tables with 479 occupation categories should be shown only for areas with a population of 100,000 or more. There must be at least 3 unweighted cases for each category of Citizenship by Race/Ethnicity by Sex in every table for the data to be shown (zeros are acceptable). Otherwise the categories must be collapsed or data must be suppressed and complementary suppression must be applied. The data will be rounded as all ACS special tabulations.

For Disability, in tables 2-6, the data should only be shown for CBSAs, counties, and county sets with a population of 50,000 or more. There must be at least 3 unweighted cases for each category of Disability by Citizenship by Race/Ethnicity by Sex in every table for the data to be shown (zeros are acceptable). Otherwise the categories must be collapsed or data must be suppressed and complementary suppression must be applied. The data will be rounded as all ACS special tabulations.

3. ACS PUMS part 2

Tabled.

4. Commodity Flow Survey tables

This was approved.
