

Disclosure Review Board Minutes
7/31/06

1. (b) (6) QWI comparison tables

This was approved except for the establishment tables (they will not be released).

2. STP_310 (b) (6)

This was approved. The data will be rounded as all Census 2000 special tabulations.

3. The Two Requests from Last Week (both CPS ASEC for NCHS and the American Cancer Society)

Approved by e-mail.

4. (b) (6) 463 (from RDC)

This was approved. For language tables, there must be at least 3 speakers of each language, and 1 in 3 different households for the data to be shown in a given geographic area. They must apply the half percent/three percent rule for topcoding the fuel costs in the state of Alaska. They must combine the remainder of the North Slope census area with the villages. The flow data may be published as requested. They must follow the rounding rules that are used in Census 2000 special tabulations.
