These were both approved.

3. CPS Revised Public Use Files

This was approved.

4. (b) (6) Request

This was approved.

5. 2004 Table on NSF Website

This should be taken off of the website.

6. 2004 SNAP Dynamics (SIPP tables)

This was approved.

7. CINCH request

This was approved.

8. ACS approval memo

There will be slight revisions, but this was approved.

9. Disclosure Avoidance Officers in Program Area Divisions

Please send any thoughts to (b) (6).

10. Table for (b) (6)

This was approved.

11. NYCH&VS_2011

(b) (6) should find out if any one agency knows who is in more than one program.

12. (b) (6) 2 questions

- a. Companies should be put into groups of 10
- b. The number of companies and number of shipments should be 3 or more for the data to be shown. The p% rule should be applied to the total shipping weight.

13. 2010 Island Areas Demographic Profiles

This was approved. DRB rules for means, aggregates, and medians should be applied.

14. #874 (b) (6)

No staff is available to help with this project. There should be no access to the CUF.
