

Disclosure Review Board Minutes  
3/28/05

1. Median for sanitary district with less than 10 households

The approval for sanitary districts is amended to allow for the use of interpolated medians.

2. STP\_266 (b) (6)

This request was approved. The data should be rounded as all Census 2000 special tabulations. There must be at least 3 cases from 3 different households in order for a given place of birth to be shown.

3. (b) (6) CFS request

This was approved. Values 1 to 4 should be set to 5.

4. EEO table from ACS

This was approved. The data should be rounded using the same rounding scheme as the EEO Census 2000 special tabulation.

5. STP\_zzz Housing in Eastern Mass

This request was approved. The data should be rounded as all Census 2000 special tabulations.

6. An additional item, for PAA.

This was approved, contingent on the removal of the unweighted numbers on page 3.
