1. ACS PRB

This was approved. It was noted that for Table 15, the age should be 5+.

2. Food Stamp Data

The Quality Control File overlaps with our public use file and identifies counties. We will leave the current ruling as is (no start month identified).

3. CBSA exports for 2009 for ITA

This was approved.

4. 2008 NSCG replicate weights

This was approved.

5. 2010 SF2

This was approved.

6. CFS special tabulation

This was approved via email after the meeting.
