

DRB minutes for Oct 16

1. (b) (6) Children in low income working families. This was approved. State level with data available in PUMS. This has been rounded in accordance to ACS rounding.
2. (b) (6) This was approved. Min/Maxs are national, the regressions are complex.
3. STP 318 (b) (6) This was approved. There should be 3 owner occupied housing units excluding mobile homes in a ZCTA before the table can be shown for that ZCTA.
4. STPxxx (b) (6) This was approved. This tab shall be rounded.
5. (b) (6) 501 (2 from (b) (6) 10/11 one labeled request (b) (6), the other request addition (b) (6)) The addition involves a table, which should be rounded. Both requests are approved
6. (b) (6) Questionnaires Its not clear when data has been suppressed. There were many items of concern in the transcripts that members examined. We tried to come up with a list, a good start but its clearly open-ended. Should definitely conform to PUMS rules in the checklist. (b) (6) will talk with (b) (6). No decision.
7. (Addition from email) (b) (6) Complementaries are needed.
8. Note approval by email: Chinese immigration (10/3)
