

Disclosure Review Board Minutes  
3/20/06

1. CPS ASEC Hispanic Age

This was approved.

2. ACS PUMS data

ACS may carry Place-of-Work PUMA and Migration PUMA on their public use files, and may include a “move/nonmover” variable, but may not include the full detail of the MIG, PWCR, PWMR, and PWPR recodes.

3. Revised Katrina Pre/Post data

This was approved. There must be at least 50 unweighted cases for a given universe (Black Alone, White Alone-Not Hispanic, and Hispanic) in a given geographic area for the data to be shown. Complementary suppressions must be applied.
